613-730-4192

**Website:** iwhp.sogc.com

**Initiative:** Partnership Program of the SOGC (2007-2011)

The aim of the Program is to strengthen the organizational capacity of professional associations of obstetricians and gynecologists in the four selected countries, so that they can contribute to national efforts to improve health systems and reach the Millennium Development Goals of achieving improved outcomes in the health of mothers, children and the fight against HIV / AIDS.
